

Guidance notes: On-line Estate parking application forms

Q. Where are HFI parking facilities located?

A. Various housing estates which Homes for Islington manage have estate parking facilities.

To find out which Homes for Islington estates have parking facilities and the area housing office that manages those estates please refer to the list “HFI Estates” which has choices of estates listed under each area housing office.

Q. How can I apply for street parking?

A. Street parking permits in Islington are issued by London Borough of Islington.

Q. I need assistance with parking due to my disability or impairment. What help is available to me?

A. If you are a disabled person or a carer for a disabled person and you would like information on the blue badge scheme for disability parking please visit Islington Council’s website [Disabled People - Blue Badges](#).

Q. How does HFI decide who should get parking facilities?

A. HFI rents it’s parking facilities using an estate parking letting policy to ensure those most in need of parking are considered for vacancies first ie. by giving priority to blue badge holders and residents of our estates.

Q. How long will I have to wait to be offered a parking facility?

A. The wait depends on a number of different things:

1. Are there any vacant parking facilities on the estate/s that you choose to park on.
2. The number of people already waiting for parking facilities.
3. The level of priority the application has on the waiting list.

Q. How much will it cost me to rent a parking facility?

A. The cost depends on the type of parking facility rented.
