Getting through the recession together

In the current economic climate many people are finding it difficult to cope financially. If you are having problems with debt HFI can offer you debt advice which is free, confidential and independent

We can put you in touch with independent advice agencies that can help by:

- Talking to you about your rent, service charge or major works arrears and plan how to pay
- Preparing a financial statement, helping you budget and negotiate with creditors
- Finding out if you are entitled to housing or council tax benefits
- Getting information on any other funding available to help you with your debts

To use this service please speak to an income recovery officer.
