

# Right to Buy Questions

November 2011

You may have questions about your Right to Buy application including:

- **What happens at each stage of the process?**
- **How long will things take?**
- **When do I need to sort out a mortgage or instruct a solicitor?**
- **What other costs are involved when buying?**
- **What will be my responsibilities as a homeowner?**

Home Ownership is here to answer your questions. You can come in and talk to us or contact us by telephone.

If you want to come in to discuss these and any other questions you may have, please contact us to arrange an appointment. We are open Monday to Friday from 9am to 4:45pm.
